PART 1: LEGAL ISSUES

Chapter 1: Sex Offender Commitments and the “Inability to Control”— Developing Legal Standards and a Behavioral Vocabulary for an Elusive Concept

“Inability to Control”: The Search for a Definition	1-2
The Legal Context	1-3
Criteria for a Legal Standard for Inability to Control	1-4
The Inability-to-Control Judgment Must Be Grounded on	
Observation	1-4
The Standard Contains a Normative Component	1-5
The Standard Must Meet the Legal Standards Required	
by the Constitution	1-5
A Narrow Class of Persons Eligible for	
Commitment	1-5
A Justification for Civil Commitment	1-6
Criminal Interstitiality	1-7
Jurisprudence of Difference	1-7
Distinguishing and Discarding Concepts	1-8
Involuntary and Reflexive Responses	1-8
Volitional Dysfunction	1-8
Caused Behavior	1-8
Inability to Do Otherwise	1-9
A Proposed Typology of Inability to Control	1-10
Self-Regulation	1-10
Classifying Inability to Control	1-10
Application to Sex Offenders	1-12
The Strong Impulses Model	1-12
Impulsivity; Antisocial Personality	1-12
Addictive Disorders	1-13

The Problem of Offender Acquiescence to Impulses 1-14

The Impaired Self-Regulation Model 1-17

 “Self-Regulation” Defined 1-17

 Key Ingredients 1-17

 Requisite Physical and Mental Strength 1-18

Self-Regulation in the Sexual Offending Context 1-18

Meeting the Constitutional Criteria 1-20

The Character/Personality Model 1-21

Conclusion 1-22

Chapter 2: Professional Standards for Civil Commitment Programs

Constitutional and Treatment Issues 2-2

 Legal Context 2-3

 Clinical Context 2-4

Relevant Guidelines and Standards 2-5

 General Resources 2-5

 State Guidelines 2-5

 Professional Guidelines 2-5

Requirements of the *Turay* Injunction 2-6

The Professional Standards 2-7

 Staff Training and Supervision 2-8

 Properly Trained Staff and Clinical Supervision 2-8

 Staffing Structure and Roles 2-8

 Consistency in Treatment Planning 2-8

 Treatment Components and Measures of Progress 2-9

 Individual and Comprehensive Treatment Plans 2-9

 Components Provided in Institutional Programs 2-10

 Monitoring and Feedback 2-10

 Identifiable Phases and Conditional Release 2-10

 Treatment Environment 2-11

 Nonpunitive Treatment Environments 2-12

 Adequate Space 2-12

 Staff Behavior 2-12

 Consistently Enforced Policies 2-12

 Residents’ Grievances 2-13

 Residents Who Refuse Treatment 2-13

 Program Review and Oversight 2-13

 Internal Review Procedures 2-14

 External Oversight 2-14

Summary and Conclusions 2-15

Chapter 3: Admissibility of Expert Testimony in Sexually Violent Predator Proceedings

Introduction	3-2
Evidentiary Requirements	3-3
The <i>Frye</i> Rule	3-3
The <i>Daubert</i> Rule	3-4
Federal Rules of Evidence	3-5
Evidentiary Challenges to Expert Clinical Testimony	3-5
Assessment Methods	3-6
Clinical Assessment	3-6
Anamnestic Assessment	3-6
Guided or Structured Clinical Assessment	3-6
Actuarial and Adjusted Actuarial Assessments	3-7
Arguments Against Adjusted Estimates	3-7
Perceived Reliability	3-8
Use in SVP Assessments	3-8
Statutory Requirements and Challenges to Expert Clinical Testimony	3-8
History of Sexual Offending	3-9
“Sexual Nature” of Nonsexual Offense	3-9
Expert’s “Special Knowledge” Requirement	3-10
Presence of a Mental Disorder That Is Causally Related to Sex Offending	3-11
Lack of Control	3-13
Modified Lack of Control Standard	3-13
State’s Burden of Proof	3-14
Risk for Sexual Reoffending	3-14
Issue of Expert’s Ability to Assess Risk	3-14
No Assessment Approach Considered Illegal	3-14
Minnesota’s Structured Approach	3-15
Attacks on Expert Testimony	3-17
Florida’s Rejection of Actuarial Instruments	3-19
Use of <i>Frye</i> Test to Determine Exclusion	3-19
Scrutiny of “Scientific Principle”	3-20
Getting Beyond the Appearances of Scientific Judgment	3-20
Summary and Conclusions	3-21

Chapter 4: In the Wake of *Hendricks*—States Seem Committed to SVP Programs

The Broad Reach of <i>Hendricks</i>	4-2
United States Supreme Court	4-3

Circuit and District Courts	4-5
First Circuit	4-5
Second and Third Circuits	4-5
Fourth Circuit	4-6
Fifth Circuit	4-7
Sixth and Seventh Circuits	4-7
Eighth Circuit	4-7
Ninth Circuit	4-8
Tenth, Eleventh, and D.C. Circuits	4-9
State Court Decisions	4-9
Alabama	4-9
Arizona	4-10
California	4-10
Illinois	4-11
Indiana	4-11
Kansas	4-12
Massachusetts	4-13
Michigan	4-14
Minnesota	4-14
Missouri	4-15
New Jersey	4-15
Washington	4-16
Wisconsin	4-17
Other States	4-18
Colorado	4-18
Connecticut	4-18
District of Columbia	4-18
Florida	4-18
Kentucky	4-18
Maine	4-18
Montana	4-18
Nebraska	4-18
New York	4-19
North Dakota	4-19
Ohio	4-19
Oregon	4-19
Pennsylvania	4-19
South Dakota	4-19
Texas	4-19
Vermont	4-19

Virginia	4-19
Conclusion	4-19

PART 2: CLINICAL ISSUES

Chapter 5: Treatment Programs for Sexually Violent Predators—A Review of States

Introduction	5-2
Treatment Standards	5-3
Population Characteristics	5-3
Previous Treatment	5-4
Multiple Diagnoses; Personality Disorders	5-5
Program Settings	5-6
Secure Psychiatric Hospital	5-6
Mental Health Facility Within a Prison	5-6
Free-Standing Secure Facility	5-8
Staffing	5-9
Staff Levels and Patterns	5-9
Psychiatric Hospitals	5-9
Free-Standing Facility	5-9
Prison-Based Program	5-11
Training and Expertise	5-11
Cohesion of Treatment Team	5-11
Cost of Staffing	5-11
Treatment Programming	5-12
Cognitive-Behavioral Approaches	5-12
Medications	5-13
Behavior Therapy	5-13
Assessment	5-14
Treatment Planning	5-15
Program Phases	5-15
Ancillary Treatment Programming	5-15
Special Populations	5-15
Residential Management Issues	5-16
Resistance to Treatment	5-16
Harassment of Staff	5-17
Strategies to Minimize Difficulties	5-17
Resident Advocacy	5-18
State Provisions for Least Restrictive Alternative	5-18
Transition to Outpatient Setting	5-19

Community Notification Issues 5-20
 Types of LRA Facilities 5-20
 Summary 5-21

Chapter 6: Civil Commitment of Dangerous, Personality-Disordered Offenders—Developing a Model

Introduction 6-1
 The Concept of Dangerous Severe Personality Disorder 6-2
 Risk Assessment Methodologies Relevant to DSPD 6-3
 Actuarial Instruments 6-3
 Case Formulations 6-3
 Structured Clinical Judgment 6-4
 Assessing Personality Disorder for DSPD 6-4
 Assessing the Link to Risk 6-5
 A Possible Process 6-5
 1. Actuarial Classification Based on Widely Available Data to
 Serve as a Screen for High-Risk Offenders 6-5
 2. Specialist Instrument-Based Risk Classification 6-7
 3. Preliminary Assessment of Personality Disorder and
 Its Link to Risk 6-8
 4. First Tribunal Hearing 6-8
 5. Residential Assessment 6-9
 6. Second Tribunal Hearing 6-9
 7. Release 6-9
 Prior Record/Current Behavior Scales 6-10
 Psychometric Tests 6-10
 Reflections 6-11

Chapter 7: Civil Commitment Programs—Administrative Concerns

Introduction 7-1
 Program Location—Urban or Rural? 7-2
 Site Requirements 7-2
 Medical Issues 7-3
 Recruitment 7-3
 Resident Services 7-3
 Contact With Local Government 7-4
 Staffing Levels 7-4
 Security and Treatment Requirements 7-4
 Direct Care Staff 7-5
 Professional Care Staff 7-5
 Administrative Staff 7-5

Staff Recruitment and Training	7-6
Direct Care and Support Staff	7-6
Professional Staff	7-7
New Employee/Refresher Training	7-7
Boundary Issues	7-9
Program Jurisdiction	7-10
The MSOP Experience	7-10
Dual Jurisdiction Issues	7-10
Summary and Directions for the Future	7-11

Chapter 8: Using Drama Therapy to Uncover Genuineness and Deception in Civilly Committed Sexual Offenders

The Therapist's Lodestone	8-2
A Lifetime of Secrecy and Deception	8-3
Deception and Attachment	8-3
The Implicit "Dangerous World" Theory of Mind	8-4
Discordant Lying and Agents of Change	8-4
Experiential Therapies	8-5
The Action Forum for Struggle	8-6
Design of Drama Therapy Sessions	8-7
Classic Presentations of the Nongenuine Self: Butting Into the Offender's Map	8-8
The Overly Intellectualized Client	8-8
The Detached and Passive Client	8-8
The Overly Compliant Client	8-8
The Indignant, Outraged, Rigid, and Morally Righteous Client	8-9
The Reality of Play	8-10
Modified Confrontation	8-10
The Adult Rapist	8-11
The Sense of Genuineness	8-12
Elements of a Successful Drama Therapy Session	8-12
Remaking Meaning	8-14

Chapter 9: Working With Nonoffending Partners

Why Work With Nonoffending Partners?	9-2
Impact on Partner of Discovery of the Abuse	9-3
As an Individual	9-4
On Relationship With Offender	9-4
On Relationship With Victim	9-5
On Relationship With Victim's Siblings	9-6
On Relationship With Friends and Community	9-6

Financial Concerns 9-6

Support Services 9-7

The Integrated Treatment Model 9-7

 Program Philosophy 9-7

 When Is This Treatment Approach Appropriate? 9-7

 Framework and Goals 9-8

 Why Use a Cognitive-Behavioral Treatment Model? 9-8

 Modeling 9-10

 Respondent Conditioning 9-10

 Instrumental Conditioning 9-11

 A Gradual Process 9-11

Assessment of Nonoffending Partners 9-11

Group Work for Nonoffending Partners 9-15

 Group Work, Part A 9-16

 Address the Impact of Offending 9-16

 Increase Understanding of Victim Dynamics 9-16

 Increase Understanding of Offender Dynamics 9-16

 Provide an Alternative Model/Framework 9-18

 Group Work, Part B 9-19

 Learn to Identify and Challenge Cognitive Distortions 9-19

 Learn to Identify and Resist Grooming Strategies 9-19

 Introduce the Relapse Prevention Model and

 Learn to Identify Cues 9-21

 Develop Partner and Victim Alert Lists 9-22

 Develop a Support Network 9-22

 Group Work, Part C1 9-22

Dyadic Work 9-22

 Assessing Readiness for Joint Work 9-23

 Joint Work, Part C2 9-23

 Communication and Information 9-23

 Practice Skills 9-24

 Addressing Unresolved Issues 9-24

Therapist’s Role 9-24

Summary 9-25

Chapter 10: Transition—Challenges for the Offender and the Community

The Need for Gradual, Controlled Transition 10-1

 Internal Risk Factors 10-2

 External Risk Factors 10-2

 Housing Issues 10-3

Aftercare Issues 10-3

Stakeholders	10-4
Victim and Victim Advocates	10-4
Policy-Makers	10-5
County Government	10-5
The Media	10-6
The Sex Offender	10-6
The Treatment Program	10-7
Transition and Technology	10-7
Ethical Issues	10-8
Summary	10-9

Chapter 11: Dangerousness and Sex Offenders—Assessing Risk for Future Sex Offenses

The Three Basic Factors Governing Commitment	11-3
Role of the Mental Health Professional	11-3
Constitutional Basis for Mental Health Professionals' Role	11-4
Definitional Issues: Just What Is It That Is Being Predicted?	11-5
Relative Ability of Mental Health Professionals to Predict	
Dangerousness for Legal Matters	11-6
Prediction of Dangerousness, General Criminal and Violent Recidivism	11-7
Evidentiary Standards for Admissibility of Expert Witness Testimony	11-8
Admissibility of Expert Testimony	11-9
The <i>Daubert</i> Standard	11-9
Statistical Aspects of Prediction	11-10
Significance of Base Rate	11-11
ROC Analysis	11-12
The Confidence Interval	11-13
The Methodology of Prediction of Future Dangerousness	11-13
Unstructured (“Pure”) Clinical Judgment	11-13
Structured or Guided Clinical Judgment	11-14
Pure Actuarial Methods	11-15
Limitations	11-16
Specificity Problem	11-17
Actuarial Plus Expert Modifiers—Adjusted Actuarial Methods	11-17
Elements and Issues Involved in the Methodology of Risk Prediction	11-18
Population Sample Variables	11-18
Predictor Variables—Identifying and Defining Potential	
Risk Factors	11-19
Criterion Variables—Identifying and Defining Sex Offense	
Recidivism	11-20
Self-Reports and Collateral Sources	11-20

Processes in the Justice System	11-20
Number of Actual Offenses	11-21
Police and Parole Office Records	11-21
No Correlation Between Variable and Potential Offense	11-22
Length of Follow-Up Period	11-22
Survival Analysis	11-22
Types of Sex Offenders	11-23
Increased Recidivism With Increased Follow-Up Period	11-23
The Base Rate of Sexual Offense Recidivism	11-24
Obtaining Information for Risk Assessment	11-25
Individual and Combinations of Risk Factors That Differentiate	
Recidivists	11-25
Static and Historical Factors	11-26
Deviancy and Psychopathy	11-26
Meta-Analysis	11-27
Dynamic Risk Factors	11-28
Two General Types of Risk Factors	11-29
Specific Risk Assessment Measures and Guidelines	11-30
The Psychopathy Checklist—Revised	11-30
Inter-Rater Reliability	11-30
Meta-Analysis	11-30
Psychopathy and Recidivism	11-31
PCL Screening Version	11-31
Misuse of PCL-R	11-32
The ASSESS-LIST	11-32
Violence Risk Appraisal Guide (VRAG)	11-33
Violent Behavior Predictions	11-34
Limitations	11-35
Minnesota Sex Offender Screening Tool (MnSOST)	11-35
Rapid Risk Assessment for Sexual Offense Recidivism	
(RRASOR)	11-37
Sex Offender Risk Appraisal Guide (SORAG)	11-39
Minnesota Sex Offender Screening Tool—Revised (MnSOST-R)	11-40
Structured Anchored Clinical Judgment (SACJ/SACJ-Min)	11-42
Static-99	11-43
Sex Offender Need Assessment Rating (SONAR)	11-44
Structured Risk Assessment (SRA)	11-45
Historical Clinical Risk Management-20	11-46
Sexual Violence Rating Scale	11-47
Risk for Sexual Violence Protocol (RSVP)	11-48

Relationships Among the Different Recidivism Measures	11-48
Communicating Information Regarding the Level of Risk of Future Dangerousness	11-50
Conclusion	11-50

PART 3: SPECIAL POPULATIONS

Chapter 12: Implications of Sexually Violent Predator Laws for Youthful Offenders

Overview	12-1
Brief Review of the Development of SVP Laws	12-2
Assessment of Dangerousness	12-3
Traditional Assessment Tools	12-3
Juvenile Data	12-4
Housing Issues	12-4
Quality of Treatment	12-5
Financial Implications of Civil Commitment	12-6
Specific Costs	12-6
Political Capital	12-8
Summary	12-9

Chapter 13: The Challenge of Treating the Sex Offender With Developmental Disabilities

Elements of the Challenge	13-1
Safety and Management Issues	13-2
Population Characteristics	13-2
Assessment Considerations	13-5
Interview/Sexual History	13-5
Psychometric Testing	13-6
Plethysmograph	13-7
Abel Assessment for Sexual Interest	13-7
Treatment Approaches	13-8
Overall Strategies	13-8
Milieu/Motivation	13-8
Effective Teaching	13-9
Community Transition	13-10
Specific Components	13-11
Adapting the DDSO's Relapse Prevention Model	13-11
Approach Skills—The "New Me"	13-13

Avoidance Skills—“What-to-Dos” 13-14
 Medication 13-15
 Civil Commitment Programs 13-16
 Summary 13-17

Chapter 14: Sex Offender and Chemical Dependency Treatment

Introduction 14-1
 Philosophy (Program Statement) 14-1
 Core Clinical Concepts 14-2
 Sex Offender-Specific CD Model 14-3
 CA Component Design 14-3
 Assessment and Education 14-5
 Recovery Structure and Support System 14-5
 Application of the Relapse Prevention Model 14-6
 Transition Issues and Aftercare Planning 14-7
 Conclusion 14-8
